

Student application checklist

If you have any questions not covered by our student guidance and FAQs, please contact us on: gw4biomed@cardiff.ac.uk

Check your eligibility

- ☐ Read our [eligibility guidelines](#)

Read our guidance

- ☐ Read our [student FAQs](#)
- ☐ Sign up to attend a [Candidate Support Webinar](#)
- ☐ Prepare any questions you have for the webinar
- ☐ Attend a Candidate Support Webinar (or watch the [recorded session](#))

Choose your projects

- ☐ **Select up to two projects** from the [project descriptions](#)
 - These will be your “first choice” and “second choice” projects
 - You don’t have to have a second choice, but we recommend it
- ☐ Check the [academic requirements](#) for the institution you wish to apply for

Prepare your application

- ☐ Plan your application using the [template](#) available
 - Use your own words, not generative AI!
 - Make sure to use as much of the word count as you can.
- ☐ If relevant, use our [qualification conversion table](#) to find the UK equivalents for your non-UK qualifications

Submit your application

- ☐ **Submit** your application using our [application form](#)
 - Only submit **one** application, any duplicates will be removed!

Outcome

You will have to wait some time to find out if you are shortlisted for interview. Please don’t panic or send chasing emails. We will get back to from **Tuesday 22nd December 2026**.

Shortlisted students will be given more information on the next steps.
